OFFBEAT

GAME CONTENTS:

- 200 ARTIST CARDS
- 20 TROPHY CARDS
- CARD HOLDER/BOX

OFFBEAT is a social party game where music is the prompt, not the test — no musical knowledge required.

Players use songs to respond to images, prompts and each other — drawing on the memories, meanings and emotions music already carries.

OFFBEAT is player-driven and personal. An obvious laugh, clever connection or perfectly timed jab can spark stories and conversations that no card could predict. Every group creates a different game because every group brings its own personalities, relationships and experiences to the table.

Choose from three Gigs: The Soundtrack, My Muse and Dedications. Play them all, or stick with a favourite.
